

LIQUID E-NEWSLETTER

DON'T BE A TURKEY!
GOBBLE UP
WATER SAVINGS WITH
THE WATERSENSE LABEL.

Gobble up water savings with WaterSense labeled irrigation controllers by only watering your landscape when needed and you will be thankful for your smaller utility bills!

And explore other ways to save with WaterSense

The WaterSense label doesn't just have irrigation controllers — they also have toilets, faucets, showerheads, and more.

Plus, the WaterSense website is full of tips and resources to help you save water all year long.

[Visit the WaterSense website](#)

Monitor your household's water use this holiday season.

Monitor your household's water use in our water usage portal during this holiday season!

It's a great way to see if your family is staying on track of your water saving goals even during the holiday chaos.

Plus, our portal can flag excessive water use and alert you to potential leaks.

If you find a leak, you might qualify for a leak adjustment to your bill if you get a repair promptly.

To be eligible for a water leak adjustment, customers must report the leak within 60 days of the bill due date for the billing period when the leak occurred by completing a Water Leak Adjustment Form.

A leak adjustment may be granted when the District finds one is warranted.

Next year's election will include PSD Commission Redistricting

[Learn about the PSD Commission's Redistricting before the 2024 election](#)

This time next year, it'll be general election time.

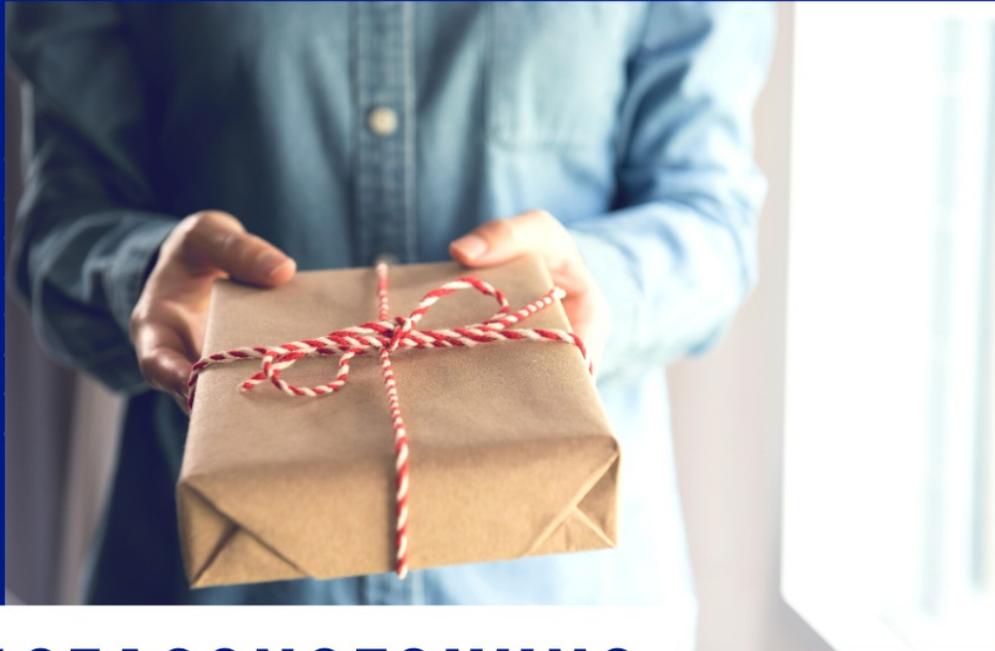

Beginning with the November 2024 general election, the Commission will be comprised of seven commissioners representing single-member voting districts (i.e. PSD Voting Districts 1-7).

The Commission is working with the South Carolina Office of Revenue & Fiscal Affairs to create the new voting districts' map, which the

Commission will ultimately vote to adopt.

DONATE TO PROJECT SAFE THIS HOLIDAY SEASON.

#SEASONOFGIVING

In this season of giving, donate to Project SAFE & help more families get connected on Hilton Head.

Project SAFE (Sewer Access for Everyone) is a charitable fund of the Community Foundation of the Lowcountry.

The fund provides grants for low- and moderate-income homeowners to connect to the public sewer system.

Celebrate World Toilet Day on Nov. 19

Celebrate World Toilet Day with us on November 19.

This is a day to be thankful for living in a place with safe, water-efficient toilets.

While it seems like a simple necessity, not everyone has access to indoor plumbing.

And several families on Hilton Head Island are still not connected to the sewer system, running on septic systems that could prove to be a hazard to their health, due to financial constraints.

Donating to Project SAFE can help these families get connected (see above!) and anyone in need of financial aid to connect to our sewer system can [learn more on our website](#).

Our WaterSense partner also wants to use World Toilet Day as a way to remind everyone to check your commode for leaks!

If you have a toilet leak, flip your worn out flapper and install a new one to save.

Learn more from our WaterSense partners by clicking the button below.

IT'S WORLD TOILET DAY

Be thankful for safe,
water-efficient toilets.

Employee Spotlight

Everyone meet PSD Field Services Technician Quintin Smalls!

Quintin Smalls is one of several talented technicians that help things run smoothly here at the PSD.

We are so grateful to have Quintin on our team — and so many other skilled workers!

Every employee is valued here at the PSD. It takes every single one of us to serve the community here on Hilton Head Island.

Thank you, Quintin, for everything you do!

It's time for the Hilton Head Kiwanis annual peanut fundraiser

The holiday season is right around the corner, which means it is time for our

annual Hubs Peanuts
Fundraiser.

Buy a few cans or cases for
your holiday gift giving... or
for yourself!

These inexpensive treats
make great gifts, and the net
proceeds go to local
children's charities.

Over the past 20+ years the
Hilton Head Island Kiwanis
have contributed over
\$250,000 to The Children's
Center, The Boys & Girls Club
of Hilton Head Island, Gregory's Playground and The Sandbox Children's
Museum, just to name a few of the important organizations and projects
we support.

VETERANS DAY

Honoring All Who Served

★ ★ ★ 11TH NOVEMBER ★ ★ ★

Our office is closed this Friday (November 10) in observance of Veteran's Day.

Thank you to all those who have served and are currently serving!

For assistance with water and wastewater service problems, please call our Customer Service Center at 681-5525. On-call personnel will be available to assist you 24 hours a day.

Teach your kids What Not To Flush

Don't be a turkey!

Teach your little ones what not to flush before they cause a big mess — or expensive damage to your pipes.

Our What Not To Flush webpage can help. We've

got free printables — including worksheets and posters — for the kids.

Check it out by clicking the button below:

What Not To
Flush
